

# Bird Call Workshop

It is tricky matching the call to the bird! Join us for a presentation and some fun, games and activities to help to identify the look and call of birds found in New Zealand. The workshop is ideal for anyone interested in bird life, and particularly useful for those who assist with bird and wildlife surveys or who are involved in nature tourism.

**When:** Saturday 18 November 2017 | 1pm – 4.30pm

**Where:** NZ Marine Studies Centre | 185 Hatchery Road | Portobello | Dunedin 9014

**Cost:** Free, but you must register in advance

For enquiries and to book a place:

email [marine-studies@otago.ac.nz](mailto:marine-studies@otago.ac.nz) or phone 03-479 5826
